Custom Applicator and Operations

Dunkerton Co-op is looking to hire a valuable team member to do Custom Application for our agronomy operations. Main duties will include applying fertilizer and crop protection products in a timely and efficient manner. Prepare, organize and maintain accurate records. Maintain and operate various pieces of equipment and provide great customer service. In the agronomy off season this person will work with other employees in the operations of our computerized agronomy and grain facilities.

Applicant must be able to lift a minimum of 50 pounds, climb ladders and stairs, have some computer knowledge and be able to work longer hours during season. Have or be willing to obtain a Class B or A CDL and Chemical Handlers and Commercial Applicators License.

Dunkerton Co-op offers a competitive compensation along with the following:

Defined Benefits Retirement (Pension) Plan in addition to a 401K plan with a company match up to 3%

Health (Two different types of plans are offered) along with Dental & Vision Insurance

Clothing Allowance

Profit Sharing

Personal Time Off along with time off for 6 major holidays

Short and Long Term Disability

For more information, please contact Wil or John at 319-822-4291

Dunkerton Cooperative is a single location farmer owned co-op and is situated northeast of the Waterloo/Cedar Falls area. Dunkerton Co-op provides a variety of products and services for their member-owners and customers with the focus being on Grain, Feed and Agronomy.
